

PRZEKRÓJ H - H

Architectural cross-section drawing of a building facade, labeled "PRZEKRÓJ H - H". The drawing shows a symmetrical facade with a central vertical axis. The roof is a flat, hatched structure. Below the roof, there are two main vertical sections. Each section has a horizontal window above a vertical window. The horizontal window has a height of 2.0m and a width of 3.0m. The vertical window has a height of 2.4m and a width of 5.7m. The central vertical axis is marked with "L" at the top and bottom. The drawing includes various dimension lines and labels, such as "S1" for structural elements and "B15.24" for window frames. The overall width of the facade is 12.0m, and the height of the main section is 11.0m.
