

This section contains technical drawings of concrete blocks (bloki oporowe) for manholes and hydrants. It includes two cross-sections, A-A and B-B, showing the block's shape and dimensions. To the right, there are two tables providing dimensions for different block sizes. The tables list the outer diameter (DN), inner diameter (DN), and various dimensions (A, B, C, D, E, F) for different block sizes.

This section contains a technical drawing of a support block (bloki podporowe) for manholes and hydrants. The drawing shows the block's shape and dimensions. Below the drawing is a table providing dimensions for different block sizes. The table lists the outer diameter (DN), inner diameter (DN), and various dimensions (A, B, C, D, E, F) for different block sizes.
